

**Topic: #ShapeOurFuture**  
**Answer Key - Worksheet B1.1**

**Step 1: Lead in**

Correct answer:  
Earth Hour (The image represents the logo of Earth Hour.)

**Step 2: Pre-reading (N.A)**

**Step 3: Reading**

Suggested answers:

1. The first Earth Hour was held on 31st March 2007 in Sydney, Australia.
2. Earth Hour is held on the second-to-last or last Saturday of March from 20.30 to 21.30 hours.
3. Earth Hour is held as a symbol of a bigger promise towards nature and our planet.
4. The Earth Hour '60' logo stands for the 60 minutes of Earth Hour. The '60+' logo stands for a duty to a continue the positive acts for the planet even after the 60 minutes and all through the year.

**Step 4: Pause to Ponder**

Suggested answers:

1. Switching off for Earth Hour is a symbol of a bigger promise towards the planet and helps spread the message to save the planet . It is one way to shape our future.
2. It is a symbolic action. The promise to protect the climate needs to go beyond the 60 minutes of Earth Hour.
3. Earth Hour only asks people to turn off any non-essential lights for one hour - not lights that affect public safety. Earth Hour is also a celebration of the planet so it is important to enjoy the moment in a safe environment.
4. There is no right or wrong answer for this question.

**Step 5: Prediction (N.A)**

**Step 6: Check prediction Step 11:**
